U.S. DISTRICT COURT

MEMORANDUM
TO THE HONORABLE DORA L. IRIZARRY
U.S. DISTRICT JUDGE

P.M. _____
TIME A.M. _____

RE: DECHIRAJU, Malathi
DOCKET NO.: 05 CR 256
Request for the Release of Passport

Reference is herein made to the above-captioned offender who was originally sentenced before Your Honor on July 27, 2005, to a two (2) year term of probation. As special conditions of probation, the offender was ordered to pay a \$100.00 special assessment fee, not to re-enter the United States illegally, to continue mental health treatment and to provide the U.S. Probation Department with a current list of doctors that she is seeing and medications that she is taking. This sentence followed the offender's conviction, upon a plea of guilty, to Conspiracy to Make False U.S. Immigration and Naturalization Service Form I-129 Applications in violation of 18 USC 371.

The purpose of this correspondence is to request that Your Honor order the return of the offender's passport, which is currently in the custody of the U.S. Pre-Trial Services Agency. The offender, who has no family locally, has made an application to relocate to Aurora, Colorado, where she plans to reside with her daughter. We are in the process of accommodating this request, and respectfully request that the offender's passport be returned to her so that she may travel. Also, as her passport remains the only official piece of documentation that the offender has, we are respectfully recommending that the offender be permitted to retain custody of her passport. We have no information that would indicate that the offender is currently a risk of flight.

Respectfully submitted:
